PREFACE

Alhamdulillah, finally this thesis is finished. This is aimed to make the reader understand about the effect of using Shared Reading Strategy in improving students' reading comprehension. Besides that, this is performed to give the students point of view that learning using a method is important to make the study, especially for reading easier. From the fact above, the students are able to improve their reading comprehension by using Shared Reading Strategy as the method of teaching learning process.

From the reasons above, the writer conducted the research about the effect of using Shared Reading Strategy on seventh year students' reading comprehension at SMPN 1 Cermee Bondowoso in the academic year of 2014/2015.

From the research, the writer hopes that the students can enjoy reading activities in English class. Thus, they are able to obtain good comprehension on reading comprehension.

The writer,
