

## ABSTRAK

Berkaitan dengan adanya wabak covid 19 di Indonesia saat ini, pemerintah membuat kebijakan pembebasan narapidana melalui program asimilasi dan hak integrasi guna meninjaklanjuti kebijakan pemerintah yaitu jarak jarak atau *social distancing*. Program asimilasi adalah proses pembinaan narapidana dan anak yang dilakukan dengan membaurkan narapidana dan anak ke dalam kehidupan masyarakat. Selanjutnya hak integrasi adalah pemberian pembebasan bersyarat, cuti menjelang bebas dan cuti bersyarat bagi narapidana. Pembebasan narapidana pada masa covid 19 ini guna mencegah narapidana terjangkit covid 19.

Berdasarkan hasil penelitian, pemberian asimilasi sebelum covid 19 terdapat adanya pengkualifikasikan mengenai jenis tindak pidana yang dilakukan narapidana yaitu terbatas pada jenis tindak pidana korupsi, sedangkan pada masa covid 19 pemberian asimilasi tidak terbatas pada jenis tindak pidana, namun sesuai dengan Keputusan Menteri Hukum Dan Hak Asasi Manusia Nomor : M.HH-19 PK 01.04.04 Tahun 2020, Tentang Pengeluaran Dan Pembebasan Bagi Narapidana Dan Anak Melalui Asimilasi Dan Integrasi Dalam Rangka Pencegahan Dan Penanggulan Penyebaran Covid 19.

## ABSTRACT

In connection with the current COVID-19 outbreak in Indonesia, the government has made a policy of releasing prisoners through assimilation and integration

rights programs to follow up on government policies, namely social distancing. The assimilation program is the process of fostering prisoners and children by integrating prisoners and children into community life. Furthermore, the right of integration is the granting of parole, leave before release and conditional leave for prisoners. The release of prisoners during the Covid-19 period is to prevent prisoners from contracting COVID-19. Based on the results of the study, the provision of assimilation before covid 19 there was a qualification regarding the types of criminal acts committed by prisoners, namely limited to the type of corruption, while during the covid 19 period, assimilation was not limited to the type of crime, but in accordance with the Decree of the Minister of Law and Human Rights. Human Number: M.HH-19 PK 01.04.04 of 2020, concerning the release and release of prisoners and children through assimilation and integration in the context of preventing and controlling the spread of Covid 19.
