Title : Performance of the Village Apparatus And Programs And Efforts In Overcoming The COVID-19 Pandemic In Candipuro Village, Lumajang Regency.

This study aims to describe the performance of the Candipuro Village apparatus during the Covid-19 pandemic and describe the obstacles faced by the Candipuro Village apparatus in implementing policies during the Covid-19 pandemic. The method used in this study is a descriptive qualitative approach. Sources of data obtained from Candipuro Village government officials and several communities related to the performance of village officials during the covid-19 pandemic. The results of the discussion of this study are that the government's efforts to respond to Covid-19 in Candipuro Village, Candipuro District, Lumajang Regency are implemented in accordance with the regulations set by the Central Government through the Circular of the Minister of Villages, Development of Disadvantaged Regions and Transmigration Number 8 of 2020. This implementation is proven with the implementation of the programs regulated in these regulations as an effort to respond to the impact of Covid-19. The Direct Cash Assistance Program (BLT) has been established as a program to be able to help communities affected by Covid-19. The community's response to the Candipuro Village government's efforts illustrates a positive thing.
