PREFACE

In the Name of Allah, the Most Beneficent and the Most Merciful. All the praises to Allah, the Lord of the universe for giving me a chance and power to finish this thesis.

This thesis examines “Students’ perception on using *google classroom* in online learning at SMK Negeri 1 Jember”. It focuses on students' perception and the obstacle in using google classroom.

Hopefully this thesis could help teacher find out the students’ obstacles in learning through *Google Classroom*, so that teachers can add other ways in teaching that can increase students’ interest.
