Dear Colleagues,

We have recently announced the latest issue online. It means indexing process has not been started. Once we receive the article processing fees for your paper, I will add them to the latest content with a specific doi number assigned. Then, indexing will cover your papers.

Please kindly finalize the transfer process at your earliest convenience to prevent any kind of delay in the indexing process.

I look forward to hearing from you
 best regards
 umit

Ümit HACIOĞLU

 kepada Ümit

Dear Umit,
 I need a cover of journal, acknowledgement of editor and international reviewer page, table of content, and others complete. So I can make journal.

best regard
