PREFACE

First of all, the researcher would like to thank Allah SWT for the opportunity and strength that has been given to the researcher to complete the thesis entitled "Errors in the Use of Simple Past Tense Committed by EFL Students".

This study focuses on the analysis of errors in the use of the simple past tense. This thesis is written to make the reader understand about the types of simple past tense errors and the causes of student errors in the use of the simple past tense in the recount text made by eighth grade students of SMP Miftahul Ulum Rambli Puji. This thesis is expected to be an illustration for teachers, especially teachers at SMP Miftahul Ulum Rambli Puji to find out students' errors in using the simple past tense.

The researcher would like to thank those who have contributed fully in the writing of this thesis, so that this thesis can be completed. The researcher realizes that this thesis is far from perfect, therefore the researcher needs criticism and suggestions to improve this thesis.
