PREFACE

Thanks to Allah for all His blessing and loves. He gave me power to finish my thesis. My thesis focuses on textbook analysis. This thesis is written to make the readers understand about how to evaluate textbook or other forms of English instructional materials. Textbook is the most frequently used of all printed educational materials. Hopefully this research can help the textbook writers to be more careful in developing English textbooks for students and more aware of the worthiness of content, language correctness and appropriateness.

Jember, 22 July 2022

Fadilah Rizqi Amaliah

ACKNOWLEDGMENT
