PREFACE

In the Name of Allah, the Most Beneficent and the Most Merciful. All the praises to Allah, the Lord of the universe for giving me a chance and power to finish this thesis.

This thesis investigates students' error in arranging the jumbled words into correct sentence in the form of simple present tense. It focuses on what kind of errors that the student made in arranging the jumbled words, and as well as what are the causes of the errors.

Hopefully this thesis could give English teachers about many types of errors that the students made, so that they can assist their students in learning grammar and correctly arranging jumbled words into sentences.
