PREFACE

Thanks to Allah for all His blessings and loves. He gave me power to finish my thesis.

This study focuses in students' attitude toward active learning and the academic achievement. This study is written to know how the students' attitude toward active learning and their relationship with academic achievement at Universitas Muhammadiyah Jember, Faculty of Teacher Training and Education, English Language Education Program 2021/2022 Academic Year.

It will hopefully give the information of students' attitude toward active learning and the academic achievement. This study also becomes consideration for the English teacher to know the students' attitude during teaching and learning process. The researcher realizes that this thesis has weakness and the correction is hoped.
