PREFACE

Praise be to Allah SWT for all His blessings and love. He gave me the strength to finish my thesis.

This thesis focuses on an error analysis in the use of prepositions of place and time of Thai students, This thesis is written so that readers understand about errors analysis in the use of preposition of place and time of Thai students, especially those related to using prepositions of place and time which include general information and specific information, in this case the researcher uses a descriptive study using prepositions of place and time.

In addition, one of the reasons for conducting this research is to find out "what kinds of errors and cause the students make errors in using prepositions of place and time.

Hopefully it can provide information about errors in using prepositions of place and time of Thai students in Jember. The researcher realizes that this thesis has weaknesses and improvements are highly expected.
