[How to publish in this journal](#)

journal.mfp@gmail.com

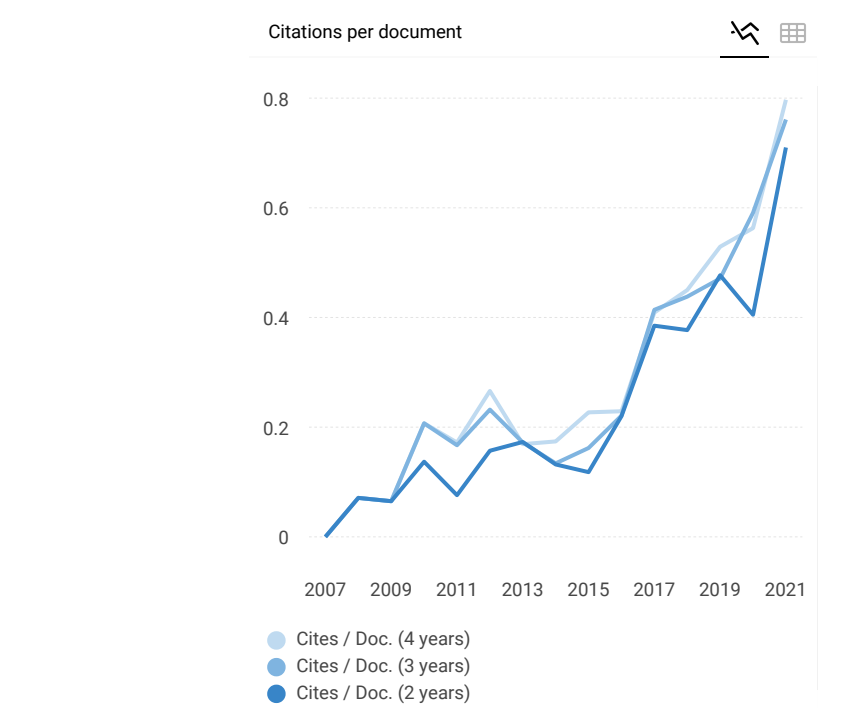

SCOPE

The MFP publishes: -Research – Original Articles, Reviews -Education – Case Reports/Clinical Practice Guidelines/Test Your Knowledge. We only encourage case reports that have the following features: 1.Novel aspects 2.Important learning points 3.Relevant to family practice -Invited debate/commentary/discussion/ letters/online/comment/editorial on topics relevant to primary care. -A Moment in the Life of a Family Physician – Besides articles covering primary care research, training, clinical practice and clinical management, we also encourage submission of a short narrative to share perspectives, voice, views and opinions about a family physician's experience that has impacted on their practice or life. This should be a reflective piece of less than 500 words in length.
