Dear **Editor**,
Medico-Legal Update
medicolegalupdate@gmail.com

I am pleased to submit an original research article entitled “Smoking Behavior among Female Worker in Indonesia: Does education matter?” by Nikmatur Rohmah *et al.* for consideration to be published in the **Medico-Legal Update**. In this manuscript, we show that the education level was a predictor of smoking behavior among female workers in Indonesia. The higher the education level, the lower the possibility of female workers becoming smokers. We believe that this manuscript is appropriate for publication by the **Medico-Legal Update** because it suits the purpose of providing a platform for publication of scientific articles in the areas of medical research.

This manuscript has not been published and is not under consideration for publication elsewhere. We have no conflicts of interest to disclose.

Thank you for your consideration!

Sincerely,
Corresponding author

Dr. Nikmatur Rohmah
