Dear respected editor,

I would like to thank for your email and response. I have already revised my manuscripts, following with the reviewers' comments. The review is a very constructive and helps us to make our paper battle and better.

Please have a look my enclosed attachments that consists of my response to the reviewers', the final revised manuscript in pdf and doc, the invoice payment, the turnitin check of plagiarisms. I'm sure that my paper much better then before and hopefully it can be published in your journal shortly.

Looking forward to hearings from you.

Best regards,

Ria Angin

## **Reviewer B**

- In my view the authors must
- Add literature review of the study.
- Purpose of the study should be elaborated extensively and logically.
- Despite some recent references are used but some of the Literature references should be updated which would not be prior to 2016.
- Please add implications to the study.
- Please add future directions of this study. - Proofread the work. -Please check missing references

## **Answer**

Dear reviewer,

First of all, I would like to appreciate your constructive comment and suggestion. Regarding your suggestion, I have added the implication of the study and more detail in the literature review. I have also elaborated the purpose of the manuscript extensively and logically. Furthermore, I have already explained the study's implication on the manuscript in more detail. Regarding languages, I have asked my native friend to proofread my paper. Therefore I am sure that my paper meets your requirements. For the details, please have a look at my paper.

Please look at my revised manuscript.

I am looking forward to hearing from you.
