PREFACE

Thanks to Allah, finally this thesis is finished. This thesis is composed to make the readers understand about the use of technique to improve the speaking ability. Many students find speaking as one of the most difficult skills in English. From that reason, the researcher wants to improve the students' speaking ability through the available teaching technique, in this case the brainstorming game

The objective of this research referring to the research problem is to find out how the use of brainstorming game can improve speaking ability at Eight grade students of SMPN Sumberwringin Jember in 2015-2016 Academic Year.

As this thesis is far from being perfect, suggestions and criticism are needed. Finally, It is expected that the result of the study will be valuable for the English teacher, the students, and the future researchers.
