PREFACE

Thanks to Allah for all His blessing and loves. He gave me power to finish my thesis.

My thesis focus on speaking ability. This aimed to make the reader understand about the use of storytelling technique to increase speaking ability. Speaking is the most common problem which must be some ways and solutions to improve the students' speaking ability through the available teaching technique, in this case the researcher used storytelling technique.

Besides, one of the reason to conduct this research is intend to know how can storytelling technique improve students' speaking ability at X Akuntansi class of SMK Trunojoyo Jember in the 2015/2016 academic year, starting from the introduction in first chapter, review from related literature in second chapter, research methodology in third chapter, result of the research in fourth chapter, discussion in fifth chapter, and conclusion and suggestion in sixth chapter.

It will hopefully give the information of using storytelling technique to improve the students' speaking ability. This thesis will also become consideration for the English teacher to use in this teaching and learning process at the school. The researcher realize that this thesis has weakness and correction is hoped.
