PREFACE

There is no beautiful word except all praises to Allah for His blessings and love. He gave me power to finish my thesis.

My thesis focuses on Reading Comprehension. This thesis is composed to describe the use of Rally Coach Strategy can improve students' reading comprehension at SMPN 01 Kedung Jajang in the academic year of 2015/2016. This thesis has been written to give the students a point of view that Rally Coach Strategy is important to make students cooperate to solve the problems, share idea and help others by coaching/tutoring in a turn. For that reason, the researcher is eager to do a research connected to reading comprehension using Rally Coach Strategy.

From the reason above, the researcher wants to investigate the students' improvement in reading comprehension by using Rally Coach Strategy. The researcher realizes that this thesis has many weaknesses and the correction is hoped to make this research better.
