SCOPE

Health Care for Women International is a critically acclaimed, international publication that provides a unique interdisciplinary approach to health care and related topics that concern women around the globe. Published twelve times a year, Health Care for Women International includes the newest research, theories, and issues in the fields of public health, social science, health care practice, and health care policy. Scholars and practitioners address topics such as cultural differences, alternative lifestyles, domestic violence, public health issues associated with the aging of the population, maternal morbidity and mortality, infectious diseases, and a host of other gender-based ethical issues. The editor also encourages discussion topics, inviting readers to comment on articles that focus on specific aspects of health issue for women.

N Nidhi Sharma 2 years ago

Hi Scimago team,
Greetings of the day.

I want to know whether the journal, "Health Care for Women International" is indexed in SCOPUS or not?

reply

Melanie Ortiz 2 years ago

SCImago Team

Dear Nidhi,
Thank you very much for your comment.
All the metadata have been provided by Scopus /Elsevier in their last update sent to SCImago, including the Coverage's period data. The SJR for 2019 was released on 11 June 2020. We suggest you consult the Scopus database directly to see the current index
