## **PREFACE**

Firstly, I am grateful to Allah SWT for all His mercy and blessing so that I can finish my thesis very well.

My thesis focuses on writing skill. It is conducted at VIII A of SMPN 01 Tlogosari Bondowoso. This thesis aims to explain about the use of guided writing of the eight grade students' skill in writing descriptive text as the solution of students' problem related to writing in terms of classroom action research.

This thesis consists of six chapters in which presented information of research introduction (CHAPTER I), review on related literature (CHAPTER II), research method (CHAPTER III), result of the research (CHAPTER IV), discussion (CHAPTER V) and conclusion and suggestion (CHAPTER VI).

Hopefully, this thesis will be useful to give the information of using guided writing of students' skill in writing descriptive text to improve the students' writing skill. Suggestion and correction are hoped, realizing that this thesis still has weakness.
