PREFACE

Thanks to Allah for all his blessings and love. He gave me the power to finish my thesis. My thesis focuses on vocabulary mastery. This thesis is written to make the readers understand the effect of the *Make a Match Technique* on students' vocabulary mastery. Vocabulary mastery is one of the basic components of learning English well.

Besides, one of the reasons to conduct this research is to know: "Is there any significant effect of using *Make a Match Technique* on students' vocabulary mastery in seventh grade students' at SMPN 1 Panti Jember 2022/2023 academic year?"

It will hopefully give information on the effects of the *Make a Match Technique* on students' vocabulary mastery. This thesis will also become a consideration for the English teachers to use this technique in the teaching and learning process at the school. The researcher realizes that this thesis has weaknesses, and a correction is hoped for.
