PREFACE

Thanks to Allah SWT. for all His blessings and love. He gave me the power of all favors to complete my thesis entitled "The Effect of *Bits and Pieces Game* on Students' Writing Skill".

My thesis focuses on writing skills. This thesis is written to make the readers understand about the use of Bits and Pieces Game affecting students' writing skills or not through English text. Effective bits and pieces games can create a pleasant classroom atmosphere. This can stimulate students' interest in generating ideas to be written and organizing ideas into the right structure. Hopefully this research can be a reference or some information to improve the teaching and learning process of writing skills. The writer realizes that this thesis is still far from perfection. Therefore, criticism and suggestions are needed for the improvement of this thesis. The author also thanks all parties who have contributed so that this thesis can be completed.
