## PREFACE

Alhamdulillahirabbil 'Alamiin, all praise be to Allah SWT for giving me all grace, favors, and opportunities to complete this thesis.

My thesis focuses on aspects of the difficulties faced by teachers when teaching writing through online learning. This thesis is written to expect that it will help English teachers learn about the challenging aspects of teaching writing through online learning and how to overcome these challenges, especially for senior high school English teachers. Furthermore, we hope that the findings of this thesis will be useful to English teachers and serve as a reference for solving problems in English learning, particularly learning to write descriptive texts through online learning.
