My thesis focuses on teacher strategy. This thesis is written to make the readers understand about the implementation of online learning in teaching English during covid-19 pandemic. A teaching strategy is a method, technique, or tactic employed by a teacher to teach students in class. Teaching strategies are methods that a teacher chooses and employs to impart learning information in order to make it easier for students to receive and comprehend learning materials in this case the researcher used some forms of the Information Communication technology (ICT). Besides, one of the reasons to conduct this research is intend to know "What is Teacher Strategy in Teaching English during Covid-19 Pandemic ?and "How does the teachers' implement the strategy during Covid-19 Pandemic ?"
