ABSTRAK ............................................................................................................ xv

BAB I PENDAHULUAN

1.1 Latar Belakang Penelitian ........................................................................ 1
1.2 Masalah Penelitian .................................................................................. 4
1.3 Tujuan Penelitian .................................................................................... 5
1.4 Definisi Operasional ............................................................................... 5
1.4.1 kreativitas ............................................................................................ 5
1.4.2 Finger Painting ................................................................................... 5
1.5 Manfaat Penelitian ................................................................................ 5
1.5.1 Manfaat bagi anak ............................................................................. 5
1.5.2 Manfaat bagi guru ............................................................................. 6
1.5.3 Manfaat bagi sekolah ......................................................................... 6
1.5.4 Manfaat bagi pembaca ....................................................................... 6
### BAB II KAJIAN PUSTAKA DAN HIPOTESIS TINDAKAN

2.1 Kajian Pustaka........................................................................................................ 7

2.1.1 Definisi Kreativitas................................................................................................ 7

2.1.1.1 Ciri-ciri Kreativitas............................................................................................ 9

2.1.1.2 Tujuan Pengembangan Kreativitas.................................................................. 10

2.1.1.3 Strategi dalam pengembangan kreativitas....................................................... 11

2.1.1.4 Faktor Penghambat Kreativitas....................................................................... 12

2.1.1.5 Faktor yang meningkatkan kreativitas anak...................................................... 15

2.1.2 Pengertian *Finger Painting*................................................................................ 15

2.1.2.1 Macam-macam *Finger Painting*................................................................. 16

2.1.2.2 Manfaat *Finger Painting*............................................................................. 18

2.1.2.3 Bahan dan peralatan *Finger Painting*.......................................................... 18

2.1.2.4 Langkah-langkah *Finger Painting*............................................................... 20

2.1.2.5 Kelebihan dan kekurangan *finger painting*.................................................. 21

2.1.3 Finger Painting dapat meningkatkan kreativitas anak........................................... 21

2.2 Hipotesis Tindakan.................................................................................................. 22

### BAB III METODE PENELITIAN

3.1 Jenis Penelitian........................................................................................................ 23

3.2 Desain Penelitian..................................................................................................... 24

3.3 Subjek Penelitian..................................................................................................... 25

3.4 Lokasi Penelitian..................................................................................................... 25

3.5 Prosedur Penelitian.................................................................................................. 25

3.5.1 Studi pendahuluan............................................................................................... 25

3.5.2 Perencanaan.......................................................................................................... 26

3.5.3 Pelaksanaan........................................................................................................... 28

3.5.4 Observasi............................................................................................................... 30
BAB IV HASIL PENELITIAN

4.1 Deskripsi Setting Penelitian................................................................. 35
4.2 Hasil Penelitian.................................................................................... 36
   4.2.1 Siklus I......................................................................................... 36
      4.2.1.1 Perencanaan................................................................. 36
      4.2.1.2 Pelaksanaan................................................................. 38
      4.2.1.3 Observasi................................................................. 47
      4.2.1.4 Refleksi............................................................................ 49
   4.2.2 Siklus II......................................................................................... 50
      4.2.2.1 Perencanaan................................................................. 50
      4.2.2.2 Pelaksanaan................................................................. 51
      4.2.2.3 Observasi................................................................. 58
      4.2.2.4 Refleksi............................................................................ 61

BAB V PEMBAHASAN

BAB VI KESIMPULAN DAN SARAN

6.1 Kesimpulan.......................................................................................... 65
6.2 Saran-saran.......................................................................................... 65
