## PREFACE

Thanks to Allah for all His blessing and love. He gave me the power to finish this thesis. My thesis focuses on reading tests. This thesis is written to make the readers understand students' perceptions of using Quizizz as a learning media that can help with TOEFL preparation, especially in reading test practice. The reading test is part of the difficulty of the TOEFL test. Some students may experience anxiety when taking the TOEFL exam. This preparation class can motivate them to study longer and pay more attention when facing the TOEFL exam.

In addition, this thesis will also become a consideration for English teachers to use Quizizz as media in the teaching and learning process in the classroom.
