PREFACE

Thanks to Allah for all the blessings, love, and powers that enabled me to finish my thesis. My thesis focuses on vocabulary mastery. This thesis is written to help readers understand The Effect of Team Game Tournament on Students' Vocabulary Mastery in Junior High School. Vocabulary through the available teaching method, in this case, the researcher used Team Game Tournament.

Besides, one of the reasons to conduct this research is to determine whether "There are significant effects of the TGT method on the students' vocabulary mastery."

This research has six chapters: the first chapter is an introduction, the second chapter is a review of related literature, the third chapter is a research method, the fourth chapter is the research results, the fifth chapter is a discussion, and the sixth chapter is a conclusion and suggestion.

It will hopefully give information on the effect of Team Game Tournament on students' vocabulary mastery. This thesis will also become consideration for the English teacher to use Team Game Tournament in teaching and learning process at school. The researcher realizes that this thesis has weaknesses, and the correction is hoped.
