## PREFACE

Thanks to Allah SWT for all His blessings and love. He gave me the strength to finish my thesis. My thesis focuses on vocabulary learning strategies. This thesis is written to help readers understand the use of various vocabulary learning strategies among male and female EFL learners

One of the reasons for conducting this research is to understand whether there are significant differences in vocabulary learning strategies between male and female students at Muhammadiyah University Jember.

It is hoped that this research will provide valuable insights into the effective use of vocabulary learning strategies for students. This thesis can also serve as a consideration for English teachers to tailor their teaching methods to better suit the learning preferences of their students. The researcher acknowledges that this thesis may have weaknesses and welcomes any corrections and suggestions.
