PREFEACE

Thanks to Allah SWT for all his blessings and love. He gave me the power to finish my thesis. This thesis is written to make the readers understand The Effect of Poro English Application to Senior High School Students' Narrative Text listening Skill.

Besides, one of the reasons for conducting this research was to find out "Poro English Application has any effect on listening skill in high school students".

This research has six chapters : the first chapter is an introduction, the second chapter is a review of related literature, the third chapter is a research method, the fourth is the research results, the fifth chapter is a discussion, and the sixth chapter is a conclusion and suggestion.

It will hopefully give information on the effectiveness of Poro English Application on listening skill in high school students. This thesis will also become a consideration for the English teacher to use Poro English Application in teaching and learning process at school. The researcher realizes that this thesis has weaknesses, and the correction is hoped.
