PREFACE

Thanks to Allah for all His blessings and love. He gave me power to finish my thesis.

My thesis focuses on vocabulary mastery. This thesis is written to make the readers understand about improving students' vocabulary mastery by using Acrostic poem. Lack of vocabulary is the common problem which must be some ways and solution to improve the students' vocabulary mastery in descriptive text through the available teaching strategy, in this case the researcher used Acrostic poem as the strategy of teaching and learning process.

Besides, one of the reasons to conduct this research is intend to know how can the use of Acrostic poem can improve the eight grade students' vocabulary mastery of SMP Plus Al-Mubarak in the 2019/2020 academic year.

It will hopefully give the information of using acrostic poem to improve the students' vocabulary mastery in descriptive text. This thesis will also become consideration for the English teachers to use Acrostic poem in teaching and learning process at the school. I realizes that this thesis has weakness and the correction is hoped.
