

## DEDICATION

This thesis is honorably dedicated to:

1. My parents, Drs. Soetikno and Mrs. Sripiningsih, who gave all their love and support. There is no word can represent the love and praise that the researcher has. Two people who are the resemblance of inspiration, patience, and strength all at once, who have been through a lot for any of the researcher's best achievements.
2. My beloved sister, Shienda Setyawatie, S. Pd., who has become number one role model of everything the researcher does. Special gratitude for all the advice and warnings, support and love, pranks and laughs that she gave.
3. The whole occupants who exist and work in Faculty of Teacher Training and Education Universitas Muhammadiyah Jember, for the knowledge and everything.
4. Paduan Suara Mahasiswa Wahana Swara Surya and the whole family and friends in it, for the hospitality, experiences, mental support, and other things that can not be mentioned. The home for many to lean on to, the place for many to learn and improve from. To Lutfi, Dija, Sueb, Wahyu, Alandi, Iqbal, Opi, Iva, Amel and many more for the companion, patience, and memories.
5. Dearest Faizah, Ari, Epy, Dhea, Rina, Devi Dwi, Tutus, and all of my classmates who were in Class A '14 and were already graduated, for the love, support and help and for the availability of being best friends. Four years are not going to be forgotten that easy, *pals*.

6. Beloved Rika and Rani, for being loyal and staying close for about eight years and counting, we are not friends, we are sisters. To Elsa, Michi, Pury, and other friends from community the researcher has ever been a part of.
7. The one and only precious almamater, Universitas Muhammadiyah Jember.
