PREFACE

All praise be to Allah SWT, Lord of all worlds, for His boundless blessings, grace, and guidance, which enabled the author to complete this thesis. Peace and blessings be upon Prophet Muhammad SAW, his family, companions, and all his followers until the end of time. This thesis focuses on to examine the effectiveness of the Jigsaw Method as a teaching strategy to improve students' reading comprehension, particularly in understanding narrative texts.

Reading comprehension is a common problem for students and it must be resolved to enhance and increase the students' understanding about text specifically in narrative text. It is hoped that this research can be beneficial for various parties in their efforts to enhance the students' reading abilities.

The author acknowledges that this thesis still has many weaknesses and is far from perfect. Therefore, constructive feedback and corrections from readers are highly anticipated, aiming to improve the writing skills and content of this thesis in the future. May Allah SWT always bestow His blessings. Aamiin
