## **PREFACE**

Alhamdulillahirabbil a'lamin, I would like to say thanks to Allah SWT because of this bestowed mercy I can finish my thesis.

My thesis focuses on reading ability. This thesis is written to make the readers understand about the use of the POSSE strategy to increase reading ability. Reading is a common problem which must have some ways and solutions to improve students' reading through the available teaching method, in this case the researcher used the POSSE strategy.

Besides, one of the reasons to conduct this research is to know "how the use of POSSE strategy can improve students' reading skill of the tenth grade students at SMK PGRI 2 BONDOWOSO in the 2019/2020 academic year.

It will hopefully give the information of using one stay three stray to improve the students' reading ability. This thesis will also become a consideration for the English teacher to use this cooperative learning in the teaching and learning process at the school. The researcher realizes that this thesis has weakness and the correction is hoped.
