DEDICATION

My thesis is honourably dedicated to:

1. My beloved mother Titin Sulisty Rini. Thank you for your support from afar.

Even though we are separated by quite a distance, she always prays for me and gives all her love to me. My deepest gratitude for all forms of help, motivation, support and encouragement so far. Thank you for your unconditional love and endless patience. Thank you for being my greatest strength, my most loyal protector, and an irreplaceable figure in every step I take.

2. My beloved father Nurul Huda. Although distance and circumstances have prevented us from truly walking together, I know that your blood flows in every step of my struggle. We may not have shared much time or stories, but your presence remains a part of who I am today. Thank you for the part of my life that was and remains yours in me. My best prayers are always for you.

3. My beloved Grandpa and Grandma, whose prayers always soar to the sky without a break, becoming my guardians. Thank you also to my entire extended family who have continuously poured out their love, attention, and encouragement at every important moment in my life. Your warmth is a protector in the silence of struggle, and your love is the light that guides me to go further. Thank you for being a part of this beautiful story. Without you, this journey would never have felt as complete and meaningful as this.

4. My beloved cousin Thiya Ayu Luthfi. Thank you for being a figure who is not only family, but also a friend, a loyal listener, and a place to share in all

feelings. Thank you for growing with me, in laughter and tears, in stories that are not always easy, but always beautiful when you are in them. May we continue to walk together, strengthen each other, and succeed in the life path we choose.

5. My beloved childhood friends Devi Kumala Sari, Aldi Laga Kurnia, and Hery Setiawan. Your presence is not just a friend, but a soul united in an unspoken brotherhood. You are not just college friends, but family that God sent among piles of books and big dreams. Thank you for the togetherness, spirit, and memories that will always remain, even when our steps begin to disperse. May happiness always come into your lives.
8. To Muhammad Hasan Saifur Rizal. Thank you for being a part of my life's journey for almost three years, accompanying me every step of the way through joy and sorrow. Thank you for being my home, my calm amidst the chaos of the world, and my reason to keep moving forward with enthusiasm. May this story continue to grow, as time goes by.

9. Lastly to myself. Thank you for surviving this far. In silence, in falling, in the days that feel hard you keep going, even though sometimes with faltering steps. Thank you for choosing to keep fighting, when giving up seems easier. For every unseen tear, for the nights full of anxiety, and the mornings that you still face with a smile. This journey is not over yet, but you have proven that determination and belief can take you this far. Keep going, with all the wounds and hopes, because you deserve to be happy and successful.
