PREACFE

Thanks to God for all His blessings and love. He gave me the strength to complete my thesis. My thesis focuses on speaking skills. This thesis is written to make the readers understand about the application of Problem Based Learning using short English movie on students' speaking skill. Speaking is a common problem that there should be ways and solutions to improve students' speaking skills through available teaching methods, in this case the researcher applied Problem Based Learning using short English movie.

In addition, one of the reasons for conducting this research is to find out whether this method is effective or not in increasing students' speaking skills.

This thesis will also be a consideration for English teachers to apply Problem Based Learning using short English movie in the teaching and learning process at school. The researcher realizes that this thesis has weaknesses and corrections are highly expected.
