My thesis focuses on vocabulary mastery. This thesis is written to make the readers understand about the use of Word Mapping Strategy to increase vocabulary mastery. Vocabulary is the common problem which must be some ways and solutions to improve the students' vocabulary through the available teaching method, in this case I used word mapping strategy.

Besides, one of the reasons to conduct this research is intend to know "how can the use word mapping strategy improve students' vocabulary mastery of eighth grade students' at SMP Muhammadiyah 12 Paleran in academic year 2019/2020".

It will hopefully give the information of using word mapping strategy to improve students' vocabulary mastery.
