Dear,
 Editors-in-Chief
 IJITEE Journal

I submitted a research manuscript to be published in the *International Journal of Innovative Technology and Exploring Engineering (IJITEE)* with the following identities:

Title : Mechanical Properties of Ceramic Waste as An Alternative Material of Concrete Aggregate.
 Corresponding Author : Muhtar, Department of Civil Engineering, Faculty of Engineering, University of Muhammadiyah Jember, Jember, 68121, Indonesia. E-mail: muhtar@unmuhjember.ac.id

I hope my submission can go through the review process and published as specified in the Author Information Pack for *International Journal of Innovative Technology and Exploring Engineering (IJITEE)*.

Sincerely,

Dear Author(s),

I have received your valuable email. I would like to also inform you that after either submission or re-submission of the paper, It will take min 01 to 02 weeks for further endorsement. If after re-submission, submission date is not over then it will consider for the same volume/issue of the journal but if date has been over then it will forward for next coming volume/issue of the journal. **All submitted paper should be cutting edge, result oriented, original paper and under the scope of the journal that should belong to the engineering and technology area. In the paper title, there should not be word 'Overview/brief/ Introduction, Review, Case study/ Study, Survey, Approach, Comparative, Analysis, Comparative Investigation, Investigation'. These words may cause for rejection of the paper. Good quality plagiarism software/ tool (Turnitin / iThenticate) will be used to check similarity that would not be more than 20% including reference section. In the case of exclusion of references, it should be less than 5%.**

Paper ID:	E2801039520
Paper Title	Mechanical Properties of Ceramic Waste as an Alternative Material of Concrete Aggregate

This is to enlighten you that above manuscript appraised by the proficient and it is **accepted** by the Board of Referees (BoR) of 'Blue Eyes Intelligence Engineering and Sciences Publication (BEIESP)' for publication in the '**International Journal of Innovative Technology and Exploring Engineering**' that will publish at **Volume-9 Issue-5, March 2020** in Regular Issue on **10 March 2020**. It will be available live at <https://www.ijitee.org/download/volume-9-issue-5/>

It is advised you to provide us **following supporting documents in a single email** before 05 March 2020 at submit2@ijitee.org

1. Final Paper | Ms Word doc. | docx. file

camera ready paper should be prepared as per journal template which is available at <http://www.ijitee.org/download/>

2. Copyright Transfer Form | Scanned

please take printout and singed properly by pen and then scan it. It is available at <http://www.ijitee.org/download/>

3. Proof of Registration | Scanned | Online Received Email

please visit in this URL. All details available at <https://www.blueeyesintelligence.org/registration/>

INFORMATION FOR AUTHOR(S). Please read very carefully.

- Each author (s) profile (min 100 words) along with a photo should be available in the final paper. The final paper should be prepared as per the journal template. The Paper should have a minimum of 03 pages and a maximum of 10 pages.
- Author (s) can make rectification/ updation in the final paper but after the signing the copyright and final paper submission to the journal, any rectification/ updation is not possible.
- Maximum 05 authors can be seated in a paper. In the case of more than 05 authors, the paper (s) to be rejected.
- If the above three supporting documents (Final Paper, Copyright and Registration) did not submit to the journal by the author in the given date (s), then paper will automatically suspend from publication for particular volume/issue. During the final email, you have to attach Final Paper, Copyright and Proof of Registration in a single email. Final paper should be prepared as per the reviewer (s) comments. In the case of failure, it to be rejected. Please read review report carefully. It is compulsory to write the Paper ID of the paper in place of Subject Area in the email during the final paper submission. Header and footer of the paper template will be edited by journal staff.
