Dear,
Editors-in-Chief
IJEAT Journal

I submitted a research manuscript to be published in the International Journal of Engineering and Advanced Technology (IJEAT) with the following identities:

Title : The Flexural Strength of Concrete Panels with Crystalline Ceramic Waste Aggregates.

Corresponding Author : Muhtar, Department of Civil Engineering, Faculty of Engineering, University of Muhammadiyah Jember, Jember, 68121, Indonesia. E-mail: muhtar@unmuhjember.ac.id

I hope my submission can go through the review process and published as specified in the Author Information Pack for International Journal of Engineering and Advanced Technology (IJEAT).

Sincerely,

Dear Author(s),

I have received your valuable email. I would like to also inform you that after either submission or re-submission of the paper, It will take min 01 to 02 weeks for further endorsement. If after re-submission, submission date is not over then it will consider for the same volume/issue of the journal but if date has been over then it will forward for next coming volume/issue of the journal. **All submitted paper should be cutting edge, result oriented, original paper and under the scope of the journal that should belong to the engineering and technology area. In the paper title, there should not be word 'Overview/brief/ Introduction, Review, Case study/ Study, Survey, Approach, Comparative, Analysis, Comparative Investigation, Investigation'. These words may cause for rejection of the paper. Good quality plagiarism software/ tool (Turnitin / iThenticate) will be used to check similarity that would not be more than 20% including reference section. In the case of exclusion of references, it should be less than 5%.**
