PREFACE

Thanks to Allah for all His blessings and loves. He gave me power to finish my thesis. In this thesis, I focus on improving speaking skill. This thesis is written to make the readers know the effect of using cartoon film based on discussion for speaking skill. Speaking is common problem which has some ways and solution to solve. This research is using cartoon film based on discussion for improving student's speaking skill in teaching and learning process.

Besides, one of the reasons to conduct this research is intend to know "How to use cartoon film based on discussion for improving student's speaking skill of tenth grade students at SMA Muhammadiyah 3 in the 2018/2019 academic year?"

It will hopefully give the information of using cartoon film based on discussion for improving student's speaking skill. This thesis will also become consideration for the English teacher to use cartoon film based on discussion for improving student's speaking skill at school. I realize that this thesis has weakness and the correction is hoped.
