PREFACE

Thanks to Allah for all His blessings and loves. He gave me power to finish my thesis.

My thesis focuses on vocabulary mastery. This thesis is written to make the readers understand about the use of choral reading to increase vocabulary mastery. Vocabulary mastery is common problem which must be some ways and solutions to improve the students' vocabulary mastery through the available teaching method, in this case the researcher used choral reading.

Besides, one of the reasons to conduct this research is to know “ how can the use choral reading improve students' vocabulary mastery of the eight C grade students' at SMPN 1 Kalibaru in academic year 2018/ 2019?”

It will hopefully give the information of using choral reading to improve the students' vocabulary mastery. This thesis will also become consideration for the English teacher to use choral reading in teaching and learning process at the school. The researcher realizes that this thesis has weakness and the correction is hoped.
