## PREFACE

Thanks to Allah, the Most Gracious. He gave all His blessing for me to finish my thesis.

The title of the thesis is "Improving The Eighth Grade Students' Speaking Ability By Using Board Game at SMPN 2 Banyuglugur". This thesis consists of six chapters. Chapter I contains the introduction, chapter II contains review of related literature and action hypothesis, chapter III contains the research method, chapter IV contains the result of the study, chapter V contains the discussion, and chapter VI contains the conclusion and suggestion.

The thesis is expected to give such information about the use of Board Game in developing students' speaking skill and hopefully become consideration for the English teachers to implement it in teaching and learning process.

I realize that this thesis has many weaknesses, therefore, the rectification is really hoped to make this thesis better.
