## **PREFACE**

Thanks to Allah for all His blessings and loves. He gave me power to finish my thesis.

My thesis focuses on vocabulary mastery. This thesis is written to make the readers understand about improving students' vocabulary mastery by using Composite picture. Lack of vocabulary is the common problem which must be some ways and solution to improve the students' vocabulary mastery through the available teaching method, in this case the researcher used Composite picture as the media of teaching and learning process.

Besides, one of the reasons to conduct this research is intend to know "how can the use of Composite picture improve the first grade students' vocabulary mastery of SMP Muhammadiyah 7 Wuluhan in the 2018/2019 academic year?"

It will hopefully give the information of using Composite picture to improve the students' vocabulary mastery. This thesis will also become consideration for the English teachers to use Composite picture in teaching and learning process at the school. The researcher realizes that this thesis has weakness and the correction is hoped.
