PREFACE

Praise and thanks God for the presence of Almighty God for all the blessings he gave so that I can complete this thesis entitled "English Language Errors Analysis of Thai Students".

This thesis deals with analyzing the errors in writing of EFL Thai students. Specifically this study tries to find type of the Thai students make the errors. In this study, the writer focused on the position and function in writing. Starting from the introduction in the first chapter, review on related literature in the second chapter, research methodology in the third chapter.

This thesis is far from being perfect, suggestions and criticism are needed. Finally, it is expected that the result the study will be valuable for the English teacher, the students, and future researchers.
