## PREFACE

Alhamdulillah, praise and gratitude to the most merciful and the most beneficent Allah SWT for blessing me in accomplishing this thesis under the title “An Error Analysis of Using simple Present Tense in Descriptive text written by the eighth grade students of SMPN 3 Bangsalsari in 2019/2020 Academic year”.

This thesis is written to make the readers know about the type of simple present tense errors in writing descriptive text made by the junior high school students. Error analysis is the study of students’ error to reveal something of the system operating within the learners.

Hopefully the result of this research can be useful for all readers especially for English teacher as reference to improve their teaching and learning process.

The writer realize that this thesis is far from being perfect. Therefore, suggestions and comments are needed to make this thesis more better. The writer also would like to thank to all of those who have given the contribution so this thesis can be finished.
