## MOTTO

“As vocabulary is reduced, so are the number of feelings you can express, the number of events you can describe, the number of the things you can identify!

Not only understanding is limited, but also experience.

Man grows by language.

Whenever he limits language, he retrogresses!”

– Sheri S. Tepper –

## **PREFACE**

Thanks to Allah all His blessings and loves. He gave me power to finish my thesis.

My thesis focus on vocabulary mastery. This thesis is written to make the reader understand about the use of picture files with STAR Strategy to enhance students' vocabulary mastery. Vocabulary is the common problem which must be some ways and solution to enhance the students' vocabulary mastery through the available method; in this case the researcher used picture files with STAR strategy.

Beside, one of the reasons to conduct this research is intend to know "how can picture files with STAR strategy enhance the seventh grade students' vocabulary mastery at MTs Wahid Hasyim Kunir in 2018/2019 academic year.

It will hopefully give the information of using picture files with STAR strategy to enhance students' vocabulary mastery. This thesis will also become consideration for the English teacher to use picture files with STAR strategy in the teaching and learning process at the school. The researcher realizes that this thesis has weakness and the corection is hoped.
