PREFACE

Thanks to Allah for all His blessings and loves. He gave me power to finish my thesis. My thesis focuses on analysis students of reading interest. This thesis is written to make the readers understand about how is the reading interest of EFL high school students of SMK Zainul Hasan Balung in reading English text. Reading is one of the affective learning activities for get knowledge and interest can be defined as the quality that something has when it attracts somebodys attention or makes them want to read.

Besides, one of the reasons to conduct this research is to intend to know “How is the reading interest of EFL high school students of SMK Zainul Hasan Balung at the eleventh grade in reading English text?”

It will hopefully give the information about student’s interest in reading English text. This thesis is also consideration for the English Teachers to make students more active and interest to read English text. The researcher realizes that this thesis has weakness and the correction is hoped.
