PREFACE

Thanks to Allah for all His blessing and loves. He gives me power to finish this thesis.

This thesis focuses on speaking ability. This thesis is written to make the readers understand about the use of Inside-Outside Circle Technique to improve speaking ability. Speaking is the most common problem which be overcome throughout teaching learning process in this case, the researcher used Inside-Outside Circle Technique.

Besides, one of the reasons to conduct this research is intend to know “how can of Inside-Outside Circle Technique improve tenth grade students’ speaking ability of tenth grade students’ at SMK Moch. Sroedji Jember in 2018/2019 academic year?”

It will hopefully give the information of using inside-outside circle technique to improve the students’ speaking ability. This thesis will also become consideration for the English teachers to use Inside-outside Circle Technique in the teaching and learning process at the school. This thesis is far from the perfectness it also has a weaknesses. Critecs and suggestion are advise to make this thesis better.
