PREFACE

First of all, the researcher says thanks to Allah who always gives His gracious mercy and blessing, so the researcher can finish her thesis entitled “Improving the Eleventh Grade Students’ Reading Comprehension by Using Discussion Web Strategy in Analytical Exposition Text at MA Al Badri Kalisat in the 2017/2018 Academic Year”. This thesis consists of introduction in chapter 1, review of related literature and hypotheses in chapter 2, research method in chapter 3, research result in chapter 4, discussion in chapter 5, conclusion and suggestion in chapter 6.

This thesis focuses on students’ reading comprehension achievement. It is written to make the readers understand about the use of the Discussion Web strategy to improve the reading comprehension. Reading is one of the skills that must be mastered by the students in enriching the knowledge

Last but not least, it hopefully gives the information of using Discussion Web strategy to improve the students’ reading comprehension. The researcher also would like to thank to all of those who have given the contribution so that this thesis can be finished. This thesis is far from the perfectness. Critics and suggestions are needed to make this thesis better.
