PREFACE

Alhamdulillahirabbil a'lamin, I would like to say thanks to Allah SWT because of his bestowed and mercy I can finish my thesis.

My thesis focuses on reading ability. This thesis is written to make the readers understand about use of one stay three stray to increase reading ability. Reading is the common problem which must be some ways and solution to improve students' reading through the available teaching method, in this case the researcher used one stay three stray method.

Besides, one of the reason to conduct this research is intend to know "how the use of one stay three stray can improve students' reading skill of the tenth grade studentsat SMA Muhammadiyah 3 Jember in the 2017/2018 academic year.

It will hopefully give the information of using one stay three stray to improve the students' reading ability. This thesis will also become consideration for the English teacher to use this cooperative learning in the teaching and learning process at the school. The researcher realizes that this thesis has weakness and the correction is hoped.
