Title	Problem	Variable	Indicators	Data resources	Research method	Hypothesis
<p>Improving the seventh-grade students' vocabulary mastery through pocket chart at SMP PGRI Bangsalsari in Academic year 2016/2017</p>	<p>How can the use of pocket chart improve students' vocabulary mastery of seventh grade students at SMP PGRI Bangsalsari in academic year 2016/2017?</p>	<p>1. Variable 1: Teaching vocabulary through pocket chart. 2. Variable 2: the students' vocabulary mastery.</p>	<p>1. The students' activity in teaching vocabulary through pocket chart especially cardboard pocket chart.  <ul style="list-style-type: none"> <li>• The students' ability in choosing correct cards.</li> <li>• The students' ability in finding nouns and verbs.</li> <li>• The students' ability in choosing correct nouns and verbs from</li> </ul> </p>	<p>1. Research Subject The seventh grade students of SMP PGRI Bangsalsari in 2016/2017 academic year 2. Informant. The seventh English teacher of the SMP PGRI Bangsalsari in 2016/2017 academic year.</p>	<p>1. Research design classroom action research 2. Area determination method Purposive method 3. Subject determination method Purposive method 4. Data collection methods  <ul style="list-style-type: none"> <li>• Vocabulary test</li> <li>• Observation</li> </ul> 5. Data analysis method E= n/N/100%</p> <p>Where: E: The percentage of the students' vocabulary.</p>	<p>1. The use of pocket chart can improve students' vocabulary mastery of the seventh grade students at SMP PGRI Bangsalsari in Academic year 2016/2017</p>

## Appendix 11

### Lesson Plan I (Meeting I in cycle I)

Subject	: English
Language Focus	: Vocabulary
Level/Semester	: VII/II
Theme	: Occupation
Time	: 2 x 45'

#### I. Standard Competence

The students are able to communicate orally and written using appropriate language form in simple instructional discourse with action in class context.

#### II. Basic Competence

The students are able to comprehend the material about Occupation.

#### III. Indicators

1. Students are able to complete the sentences by choosing the correct card.
2. Students are able to find nouns and verbs form the sentences given.
3. Students are able to choose the correct nouns and verbs form the sentences given.

#### IV. Teaching and Learning Activity

No	Activities	Time
1.	Introduction: a. Greeting b. Gave some leading question to arouse the students' interest and prior knowledge.	15'
2.	Main activities: a. explained the materials. b. Showed the pocket chart media to students and	65'

	put it in front of the class. c. distributed the word card to the students. d. Asked the students to choose the correct card and find the noun and verb. e. Asked the student to put the card into the pocket chart. f. Asked the students to choose correct noun and verb. g. Checked the answer with the class orally. h. Asked the students to do the exercise.	
3.	Closing: a. Reviewed the materials. b. Parting.	10'

### Appendix 3

#### TRY OUT

Choose a, b, c or d as the correct answer by giving a cross (X) on the letter!

1. Mr. Nanang is a.....He protects the town from crimes  
a. policeman            b. waiter            c. doctor            d. driver
2. Mr. Chandra works in the court. He is a.....  
a. lawyer            b. farmer            c. doctor            d. teacher
3. The fruit seller.....the fruits in the market  
a. buys            b. picks            c. rents            d. sells
4. The teacher.....the lesson to the students  
a. explains            b. erases            c. sings            d. cuts
5. Mr. Hendra is a.....He works in the library  
a. teacher            b. librarian            c. headmaster            d. student
6. Miss Indri is a pharmacist. She.....at the drugstore  
a. works            b. sells            c. buys            d. gives
7. Nikita willy is an.....  
a. actress            b. architect            c. engineer            d. announcer
8. The nurse wears a.....uniform  
a. red            b. white            c. yellow            d. brown
9. Postman.....the letters  
a. delivers            b. sells            c. buys            d. sending
10. Mr. Yusron.....his car  
a. rides            b. drives            c. uses            d. sells
11. There are many.....in the bus station  
a. buses            b. trains            c. ships            d. planes
12. His job is cutting hair. He is a.....  
a. farmer            b. barber            c. singer            d. dancer
13. The doctor.....the patients in the hospital  
a. hits            b. treats            c. kicks            d. bites
14. Dion.....a bicycle everyday  
a. drives            b. rides            c. uses            d. takes
15. Mr. Randy's job is keeping the shop. He is a.....  
a. teacher            b. lawyer            c. shopkeeper            d. doctor
16. He delivers the letters. He is a.....  
a. postman            b. doctor            c. fisherman            d. teacher
17. Marc Marques likes to ride motorbike. He is a professional.....  
a. doctor            b. dancer            c. racer            d. crosser
18. Where do you go if you have toothache?

- a. dentist                      b. doctor                      c. nurse                      d. surgeon
19. The teacher usually.....the students in the class  
a. sings                      b. dances                      c. teaches                      . reads
20. Rudi .....to plaza by car  
a. goes                      b. calls                      c. wants                      d. plays
21. Tyo .....the drum. He is a drummer in his band  
a. brings                      b. plays                      c. throws                      d. sings
22. We can.....many trains in the railway station  
a. take                      b. see                      c. give                      d. put
23. Mr. dian makes furniture from the wood. He is a.....  
a. servant                      b. pilot                      c. barber                      d. carpenter
24. Below are water transportations, except.....  
a. Ship                      b. canoe                      c. raft                      d. bus
25. Mr. Smith is a.....he has a lot of companies.  
a. director                      b. secretary                      c. driver                      d. sailor
26. I will go to the.....if I have toothache  
a. fisherman                      b. dentist                      c. headmaster                      d. manager
27. Please, call the police. They will help you to.....the robber  
a. release                      b. find                      c. follow                      d. hit
28. The butcher.....the meat with a sharp knife  
a. bites                      b. cuts                      c. pushes                      d. pulls
29. Scooter is.....transportation  
a. a mud                      b. a water                      c. an air                      d. a land
30. Ships, trains, planes, and buses are mean of.....  
a. education                      b. recreation                      c. transportation                      d. communication
31. Heni is a nurse. She .....in a hospital  
a. reads                      b. writes                      c. cooks                      d. works
32. I go to the harbor to.....the ship. I want to go to Aceh  
a. catch                      b. watch                      c. get                      d. hold
33. I ask the.....where I can find the book  
a. teacher                      b. headmaster                      c. librarian                      d. gardener
34. The truck's driver stops at gas station to by.....for his truck  
a. water                      b. stone                      c. blood                      d. gasoline
35. Nafis is barber. His job is.....hair  
a. cutting                      b. barber                      c. librarian                      d. cook
36. Don't play kite on the road. The cars will.....you  
a. crash                      b. kick                      c. hold                      d. punch
37. The planes take off at Juanda.....  
a. railway station                      b. harbor                      c. airport                      d. bus station
38. We can see many.....in the airport  
a. trains                      b. buses                      c. planes                      d. trucks

39. They.....to Jakarta by plane  
 a. go                                      b. walk                                      c. sit                                      d. want
40. The tourist can.....a horse in Bromo mountain  
 a. go                                      b. ride                                      c. jump                                      d. walk
41. A doctor.....the patient  
 a. sees                                      b. examines                                      c. catches                                      d. bites
42. Mr. Paijo work in the court. He is a.....  
 a. lawyer                                      b. doctor                                      c. postman                                      d. seller
43. The teacher stands in front of the.....to teach the students  
 a. classroom                                      b. hospital                                      c. office                                      d. school

44. The students do the.....every Monday in school  
 a. Flag ceremony                                      b. walking                                      c. running                                      d. study
45. We borrow books in the.....  
 a. library                                      b. hospital                                      c. post office                                      d. canteen
46. I ask the.....where I can find the book in the library  
 a. librarian                                      b. barber                                      c. postman                                      d. teacher
47. The students.....to the teacher if they don't understand the teacher's explanations  
 a. answer                                      b. ask                                      c. study                                      d. give

48. Nanang : What do the students do in the break time?  
 Qosim : They.....in the school yard  
 a. study                                      b. read                                      c. play                                      d. practice
49. The students read a.....in classroom  
 a. book                                      b. pencil                                      c. newspaper                                      d. comic
50. The students usually hold flag ceremony in the.....  
 a. School yard                                      b. office                                      c. classroom                                      d. library
51. Gayus always goes to the library in the break time. He.....a book in the library  
 a. reads                                      b. sings                                      c. plays                                      d. speaks

52. The teacher.....to lesson the students

- a. teaching                      b. explains                      c. writes                      d. asks
53. The teacher usually teaches the.....  
 a. father                      b. headmaster                      c. students                      d. gardener
54. She helps the doctor to examine the patient. She is a.....  
 a. doctor                      b. teacher                      c. nurse                      d. baby sitter
55. Rina.....to school by motorcycle  
 a. goes                      b. arrives                      c. visits                      d. drives

56. I.....at 06.30 a.m  
 a. get up                      b. clean the classroom                      c. go to school                      d. sweep the yard
57. I.....to the doctor when I am sick  
 a. see                      b. touch                      c. go                      d. give
58. The students.....the lesson at 07.00 a.m  
 a. close                      b. begin                      c. study                      d. come
59. The students study English in the.....  
 a. market                      b. classroom                      c. canteen                      d. house
60. A.....examines the patients  
 a. teacher                      b. soldier                      c. doctor                      d. carpenter
61. A nurse.....the doctor to examine the patients  
 a. borrows                      b. helps                      c. cuts                      d. catches
62. I will do the exam. I must.....hard to get good score  
 a. study                      b. play                      c. read                      d. speak

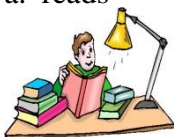

63. Doctor uses.....to examine the patients  
 a. stethoscope                      b. syringe                      c. wheel chair                      d. thermometer
64. Mrs. Icha is a..... She sells in the drugstore  
 a. pharmacist                      b. doctor                      c. nurse                      d. dentist
65. He serves the guest in the restaurant. He is a  
 a. waiter                      b. teacher                      c. gardener                      d. carpenter
66. Arrange this letter into good word  
 E-A-H-S-T-E-D-M-R-A  
 a. teacher                      b. headmaster                      c. carpenter                      d. gardener

67. He.....the patients. He is a surgeon  
 a. sees                      b. watches                      c. touches                      d. operates
68. The students.....the teacher explanations.  
 a. read                      b. write                      c. listen                      d. pulls

- A: What does he do?  
 B: He.....a book
69. a. writes                      b. reads                      c. plays                      d. watches
70. The butcher.....the meat with a sharp knife  
 a. cuts                      b. drinks                      c. borrows                      d. eats
71. I go to the.....when I am sick  
 a. nurse                      b. doctor                      c. student                      d. dentist
72. Nafis is a barber. His job is.....hair  
 a. cutting                      b. eating                      c. playing                      d. running
73. He looks for a fish in the river. He is a.....  
 a. fisherman                      b. postman                      c. driver                      d. teacher
74. A place for the patient and doctor is a.....  
 a. bedroom                      b. school                      c. hospital                      d. house
75. The patients.....prescription from a doctor  
 a. give                      b. get                      c. take                      d. ask
76. The doctor.....medicine to the patients  
 a. buys                      b. sells                      c. gives                      d. requests
77. Teacher .....the students in the classroom  
 a. reads                      b. teaches                      c. writes                      d. borrows

78. Paijo is.....now  
 a. studying                      b. watching                      c. teaching                      d. playing
79. A: Where does a stewardess work?  
 B: She works in the.....  
 a. plane                      b. restaurant                      c. train                      d. bus
80. He works at a field. He is a.....  
 a. farmer                      b. doctor                      c. police                      d. soldier

18	Sumiati	24	25	576	625	600
19	Wirdatus	23	25	529	625	575
20	Hairul	20	26	400	676	520
21	Saiful Hadi	20	25	400	625	500
22	Seniman Pujo S	18	24	324	576	432
23	M. Riyanto	20	20	400	400	400
24	Nafiatus Soleha	16	22	256	484	352
25	Faisal Rohman	18	18	324	324	324
26	Muh. Awaludin	22	13	484	169	286
27	Andini	18	15	324	225	270
28	Andreas Firmansyah	15	16	225	256	240
		732	742	20232	20616	20177

The calculating reliability of the try out instrument by using product moment formula

$$r_{xy} = \frac{N(\Sigma xy) - (\Sigma y)(\Sigma x)}{\sqrt{\{N(\Sigma x^2) - (\Sigma x)^2\}\{N(\Sigma y^2) - (\Sigma y)^2\}}}$$

$$r_{xy} = \frac{28(20177) - (732)(742)}{\sqrt{\{28(20232) - (732)^2\}\{28(20616) - (742)^2\}}}$$

$$r_{xy} = \frac{564956 - 543144}{\sqrt{\{566496 - 535824\}\{577248 - 550564\}}}$$

$$r_{xy} = \frac{21812}{\sqrt{\{30672\}\{26684\}}}$$

$$r_{xy} = \frac{21812}{\sqrt{818451648}}$$

$$r_{xy} = \frac{21812}{28608,59}$$

$$r_{xy} = 0,76$$

Then the result is calculated again by using spearman-brown formula:

$$r_{11} = \frac{2xr \frac{1}{2} \frac{1}{2}}{[1 + r \frac{1}{2} \frac{1}{2}]}$$

$$r_{11} = \frac{2x0,76}{[1 + 0,76]}$$

$$r_{11} = \frac{1,52}{1,76}$$

$$r_{11} = 0,86$$

The criteria coefficient of correlation:

0.00-0.20 : Very low correlation

0.21-0.40 : Low correlation

0.41-0.70 : Medium correlation

0.71-0.90 : High correlation

0.91-1.00 : Very high correlation

Based on the above calculation, the coefficient correlation of the test high.

### Lesson Plan II (Meeting II in cycle I)

Subject	: English
Language Focus	: Vocabulary
Level/Semester	: VII/II
Theme	: Transportation
Time	: 2 x 45'

#### I. Standard Competence

The students are able to communicate orally and written using appropriate language form in simple instructional discourse with action in class context.

#### II. Basic Competence

The students are able to comprehend the material about transportation.

#### III. Indicators

1. Students are able to complete the sentences by choosing the correct card.
2. Students are able to find nouns and verbs form the sentences given.
3. Students are able to choose the correct nouns and verbs form the sentences given.

#### IV. Teaching and Learning Activity

No	Activities	Time
1.	Introduction: a. Greeting b. Gave some leading question to arouse the students' interest and prior knowledge.	15'
2.	a. Reviewed the previous lesson. b. Showed the pocket chart media to students and put it in front of the class. c. distributed the word card to the students.	65'

	<p>d. Asked the students to choose the correct card and find the noun and verb.</p> <p>e. Asked the student to put the card into the pocket chart.</p> <p>f. Asked the students to choose correct noun and verb.</p> <p>g. Checked the answer with the class orally.</p> <p>h. Asked the students to do the exercise.</p>	
3.	<p>Closing: Parting.</p>	10'

## Appendix 20

### The students' Vocabulary Test Score in Cycle I

No	Students' Name	Score	Score $\leq$ 65	Score $\geq$ 65	Achievement		
					Not Achieved	Acieved	
1	Alfin YulidatulHasanah	67		√		√	
2	Bahrawi	46	√		√		
3	Budiono	43	√		√		
4	Efendi	73		√		√	
5	Faisal Ramadani	55	√		√		
6	FaniHidayatullah	40	√		√		
7	Fendi Andrianto	55	√		√		
8	HasanatulMukarromah	67		√		√	
9	Ifa Diana Putri	70		√		√	
10	Ira Nanda	76		√		√	
11	MochAbdus Salam	40	√		√		
12	Moch. Aksay	43	√		√		
13	Moh Abdul Rohman	60	√		√		
14	Mohammad Abdul Malik	64	√		√		
15	Mohammad Murholis	52	√		√		
16	Mohammad Sakib	61		√		√	
17	Mohammad Solehan	76		√		√	
18	Saiful Anam	43	√		√		
19	Suliyati	67		√		√	
20	Yuyun	60	√		√		
21	Zairofi	73		√		√	
$\Sigma$						12	9
Percentage (%)						57,14%	42,86%
Mean Score = 58,62							

Based on above calculation, three are 42,86% of the students who got score more than 65 or more and there are 57,14% of the students who got score less than 65. It means that the action is failed and it will be continued in cycle II because less than 70% of the students couldn't achieve the standard requirement at is 65.

## Appendix 21

### Vocabulary Test Cycle II
