PREFACE

To do research is the highest level of thinking of human mind at the level of university. It is an integral part of study which cannot be separated from academic activities. The result, later on, is written systematically in the form of a report which is called thesis. Therefore, to write a thesis is a compulsory for all university students in order to get *Sarjana* title or first degree. Furthermore, *Sarjana* is used as the requirement to obtain master degree.

Alhamdulillahirobbil ‘alamin, I would like to say thanks to Allah SWT because of His bestowal and mercy, the thesis entitled Improving The VIII A Students’ Reading Comprehension By Using Annotating Text Strategy at MTsN 3 Jember in the 2017/2018 Academic Year can be composed orderly.

The thesis is so far away from perfection, criticism and suggestion are welcomed to make it better, and better. My hope is the thesis will become useful to all civets academic, whether to Muhammadiyah University’ students notably and other students to conduct further research.
