PREFACE

Thanks to Allah for all His blessing and love. First of all, the researcher would like to say thanks to Allah who always gives all His blessing, mercy and love. He gave the researcher power to finish her thesis entitled “Students’ Perceptions of Using Mobile Phone Dictionary to Improve Their Pronunciation of the Second Grade Students at MAN 2 Jember”.

This thesis focuses on students’ perceptions on using Mobile Phone Dictionary to improve their pronunciation. This thesis written to be make the readers know about the students’ perceptions of using mobile phone dictionary to improve their pronunciation. Pronunciation is the common problem which must be some ways and solutions to enhance the students’ pronunciation through the use of mobile phone dictionary application to be a one reason to conduct this research. And, the thesis is designed to explore the potential benefits of apps as a learning tool.

It will hopefully give the information of students’ perception of using mobile phone dictionary to improve their pronunciation. As this thesis is far from being perfect, suggestions and criticism are needed. Finally, it is expected that the result of the study will be valuable for the English teacher, the students, and the future researchers.
